

Outdoor Benches

Outdoor Benches

Properties:

Our outdoor Benches, maintaining realistic wood texture and appearance, can be planed, nailed and sticked. They contain no PVC raw materials, formaldehyde and chloride, so there are no harmful substances. They are mildewproof, invariable, waterproof and resistant to damages caused by termite. It is ideal outdoor leisure furniture. We offer you a wide range of outdoor benches.

Outdoor benches, climbing wall and used fitness equipment are main parts of our amusement park.
